INDEPENDENT AUDITORS' REPORT

September 23, 2011

Board of Directors National Space Society Washington, DC

We have audited the accompanying statements of financial position of the National Space Society (a non-profit organization) as of December 31, 2010 and 2009, and the related statements of activities and change in net assets and cash flows for the years then ended. These financial statements are the responsibility of the Society's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the **National Space Society** as of December 31, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedules of functional expenses on pages 13-14 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Syclan Tetter Corydan, P.A.

Rockville, Maryland

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the National Space Society (the "Society") is presented to assist in understanding the Society's financial statements. The financial statements and notes are representations of the Society's management who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles in the United States of America, and have been consistently applied in the preparation of the financial statements.

Purpose of the Society:

The Society is an educational, non-profit membership organization dedicated to the creation of a space faring civilization. The Society was formed under the laws of the District of Columbia on June 13, 1974. The Society's vision is of "People living and working in thriving communities beyond the Earth, and the use of the vast resources of space for the dramatic betterment of humanity." To meet this vision, the Society has as its mission statement, "to promote social, economic, technological, and political change in order to expand civilization beyond Earth, to settle space and to use the resulting resources to build a hopeful and prosperous future for humanity."

The Society's significant accounting policies are as follows:

Basis of Accounting:

The financial statements of the Society have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under the accrual basis of accounting, revenues are recorded as earned and expenses are recorded at the time liabilities are incurred.

ASC Codification:

During June 2009, the FASB issued SFAS No. 168 "The FASB Accounting Standards Codification (ASC) and the Hierarchy of Generally Accepted Accounting Principles - A Replacement of FASB Statement No. 162," (now codified within ASC No. 105, Generally Accepted Accounting Principles (GAAP) (ASC No. 105)). ASC No. 105 establishes the Codification as the single source of authoritative GAAP recognized by the FASB to be applied by nongovernmental entities. All guidance contained in the Codification carries an equal level of authority. Following this statement, FASB will not issue new standards in the form of statements, FASB Staff Positions or Emerging Issues Task Force Abstracts. Instead, it will issue Accounting Standards Updates, which will serve only to: (1) update the Codification; (2) provide background information about the guidance; and (3) provide the bases for conclusions on the change(s) in the Codification. ASC No. 105 is effective for financial statements issued for interim and annual periods ending after September 15, 2009. The adoption of ASC No. 105 did not have any impact on the results of operations or financial position.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation:

Financial statement presentation follows the recommendations of the FASB ASC 958-205-55, *Not-for-Profit Entities—Presentation of Financial Statements—Implementation Guidance and Illustrations*. Under FASB ASC 958-205-55, the Society is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions. Support that is temporarily restricted by the donor is reclassified to unrestricted net assets when the time restriction, if any expires and/or the purpose of the restriction is accomplished.

Income Tax Status:

The Society is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Society has been classified as an entity that is not a private foundation within the meaning of Section 509(a)(2), and qualifies for deductible contributions as provided in Section 170(b)(1)(A). Accordingly, no provision has been made for income taxes in the financial statements. However, income from activities not directly related to the Society's taxexempt purpose is subject to taxation as unrelated business income. None of the Society's present activities are subject to taxation as unrelated business income; therefore, no provision for income taxes has been made in the accompanying financial statements.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, the Society considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. The cash and cash equivalents balance consists of unrestricted amounts as of December 31, 2010 and 2009.

Member Dues and Other Receivables:

Member dues and other accounts receivable from members are stated at net realizable value. Management considers all accounts to be essentially collectible, and therefore no allowance for doubtful accounts has been established as of December 31, 2010.

Revenue Recognition and Deferred Revenue:

Revenues are recognized during the period in which they relate. Therefore revenues collected in advance are reflected as deferred revenue on the statements of financial position.

NOTES TO FINANCIAL STATEMENTS December 31, 2010 and 2009

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Asset Classification:

The Society has elected to adopt Accounting Standards Codification (ASC) 958 Not-for-Profit Entities (formerly Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*). Under FASB ASC 958-205, the Society is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Permanently restricted net assets contain donor-imposed restrictions that require that contributed funds be maintained by the Society in perpetuity. The Society has no permanently restricted net assets as of December 31, 2010 and 2009. Temporarily restricted net assets as of time or specified purposes. The Society has no temporarily restricted net assets as of December 31, 2010 and 2009. Unrestricted net assets are funds received that do not include any restriction as to the use by the donor. The Society's Board may subsequently designate unrestricted net assets for a specified purpose.

Contributions and Grants:

Unrestricted and temporarily restricted contributions and grants are recorded as revenue in the year the notification is received from the donor. Temporarily restricted contributions and grants are recognized as unrestricted support only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions.

Investments:

The Society has adopted Accounting Standards Codification (ASC) 958 Not-for-Profit Entities (formerly Statement of Financial Accounting Standards (SFAS) No. 124, *Accounting for Certain Investments Held by Not-for-Profit Organizations*). Under FASB ASC 958-320, investments in marketable equity securities with readily determinable fair values and all investments in marketable debt securities are valued at their fair values in the statement of financial position. Realized and unrealized gains and losses are included in the change in net assets.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

December 31, 2010 and 2009

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses:

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE B - CASH AND CASH EQUIVALENTS

Cash and cash equivalents at December 31, 2010 and 2009, consist of the following:

		2010		2009
Demand deposits Money market funds	\$	66,210 17,858	\$	95,930 70,809
Total cash and cash equivalents	<u>\$</u>	84,068	<u>\$</u>	166,739

NOTE C – INVESTMENTS

The Society invests in equity securities, debt securities (bond funds), and corporate debt securities. Primary emphasis is placed on long-term growth of income and principal through the use of equities. Secondary emphasis is placed on the generation of a high level of income and the preservation of capital through fixed income investments. Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions (all level 1 measurements).

Investments at December 31, 2010 are comprised of the following:

	Fair Value
Bonds Common stocks and options	\$ 28,988 77,502
Total investments	<u>\$ 106,490</u>

Net gain (loss) on market value of securities is summarized as follows:

Net realized gain (loss) on sales of investments	\$	(1,815)
Net unrealized gain (loss) on market changes in investments		<u>13,090</u>
	<u>\$</u>	11,275

NOTE C – INVESTMENTS (Continued)

Investments at December 31, 2009 are comprised of the following:

	<u>Fa</u>	<u>ir Value</u>
Bonds Common stocks and options	\$	23,143 70,409
Total investments	<u>\$</u>	93,552
Net gain (loss) on market value of securities is summarized as follows	:	

Net realized gain (loss) on sales of investments	\$	634
Net unrealized gain (loss) on market changes in investments		1,964
	<u>\$</u>	<u>2,598</u>

NOTE D - COMMITMENTS AND CONTINGENCIES

Concentrations of Credit Risk:

Financial instruments that potentially subject the Society to concentrations of credit risk consist principally of cash held with banks and brokers in excess of the insurance limitations of the Federal Deposit Insurance Corporation (FDIC) and/or the Securities Investor Protection Corporation (SIPC). The Society does not have any concentration of credit risk as of December 31, 2010.

Management Services and Headquarters:

On March 1 2009, the Society entered into a contract with Association Management Strategies (AMS), to provide management services and headquarters for a fee of \$12,467 and \$3,100 respectively, per month. The Society paid their previous management company a total of \$37,050 during January and February of 2009 before entering into the new management agreement with AMS. For the year ended December 31, 2009, the Society paid AMS a total of \$138,553 under this agreement. This agreement was renewed in March of 2010 and continued with monthly management service and headquarter fees of \$12,778 and \$3,255 respectively, through February 28, 2011, at which time the agreement expired (See NOTE F – SUBSEQUENT EVENT). For the year ended December 31, 2010, the Society paid AMS a total of \$191,466 under this agreement.

NOTES TO FINANCIAL STATEMENTS December 31, 2010 and 2009

NOTE D – COMMITMENTS AND CONTINGENCIES (Continued)

Fair Value of Financial Instruments:

Generally accepted accounting principles define fair value, establish a framework for measuring fair value, and establish a fair value hierarchy that prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

<u>Level 1</u> – These inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Society has the ability to access.

<u>Level 2</u> – These are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, default rates and other similar data.

<u>Level 3</u> – These are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The unobservable inputs should be developed based on the best information available in the circumstances and may include the Society's own data.

The Society estimates that the fair value of all financial instruments at December 31, 2010 and 2009 do not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position.

Fair Value Measurements on a Recurring Basis As of December 31, 2010

	 Level 1	Le	Level 2 Level 3		Total		
Investments	\$ 106,790	\$	0	\$	0	\$	106,790

NOTE D – COMMITMENTS AND CONTINGENCIES (Continued)

Fair Value	Measurements on a	Recurring Basis
	As of December 31,	2009

	Level 1		Level 2		Level 3		Total	
Investments	\$	93,552	\$	0	\$	0	\$	93,552

NOTE E – TEMPORARILY RESTRICTED NET ASSETS

It is the Society's policy to release temporarily restricted net assets in the period in which the restriction is satisfied. There were no temporarily restricted net assets at December 31, 2010. As of December 31, 2009, the following temporarily restricted net assets were released from donor restrictions by incurring expenses and meeting time stipulations which satisfies the restricted purposes specified by the donors:

Time Restricted Education and Communication	\$	42,633 10,000
Total	<u>\$</u>	52,633

NOTE F – SUBSEQUENT EVENT

In preparing the financial statements, the Society has evaluated events and transactions for potential recognition or disclosure through September 23, 2011, the date of the audit report.

Management Services and Headquarters:

On March 1, 2011, the Society renewed its contract agreement with Association Management Strategies (AMS), to provide management services and headquarters for a fee of \$12,970 and \$3,304 respectively, per month. This agreement expired on August 31, 2011. On September 1, 2011, the Society renewed its contract agreement with AMS to provide management services and headquarters for a fee of \$12,970 and \$1,500 respectively, per month. This agreement will continue through December 31, 2011, at which time the agreement will expire.
