

Status of Committee Activities

Table 1 shows the allocation of membership-related responsibilities and activities among the full committee and the three new subcommittees. Activity Status is indicated as follows: “Active” (green) means activity is being worked (or was during the last time period); “Waiting” (yellow) means activity is on-hold until the MC has time to address it; “Stalled” (red) means that activity has encountered a major issue or conflict requiring assistance from outside the MC; and “Idle” (gray) means no activity is known to be required at this time.

Table 1. NSS Membership Committee Activities and Status
